Any Grocer . . .

Can buy nice clean goods if he wants to. Many of them do, but on account of their lax methods when you see the goods in their stores they look unclean and unpalatable. Nothing like that here—ONLY THE BEST

The Boys Camp.

The Jasper County Y. M. C. A. closed a very successful boys' camp five miles north of Alba on North Fork. This was the first County Y. M. C. A. camp held in the county and although we had a rainy week the boys report a good time, and the camp leaders say that it was a very high type boys' camp.

Forty-two boys were at the camp representing the following communities: Webb City, Neck City, Carterville, Villa Heights, Carl Junction, Reeds, Oronogo, Duenweg, and eight leaders from Webb City, Carterville, Carthage and St. Louis.

The camp program included instruction in camping, swimming, nature study, Bible study, camp fire lectures by business men, treasure hunts, base ball, and other athletics. The camp was made especially pleasant by having John Briggs, colored, of Webb City, who is far famed as a cook. Plenty of good wholesome food was served the boys. This of course is always the successful part of any boys' camp.

Over a hundred visitors were registered during the camp period and three or four times that many would undoubtedly have found their way to the camp had the weather been more favorable. Many special treats were given the boys during the camp period by interested business men, all of which was very much appreciated and enjoyed by the boys.
